Sir,

We are asking your good office to help us to remove the homeless encampment in our neighborhood because it is health hazard and risking the safety of our children. There are multiple home RV are parked in our neighborhood and they are producing trash. I reported this issues through 311 and they referred me about the Municipal code 56.11 protocol. Please help us to solve our issues by relocating them to a secure housing facility and establish preferential parking permits to community residents only. The address is [341 North Dillon St., Los Angeles CA 90026](#).

Thank you.

I do not recall him.

I will drive by and get some pictures because I have not heard of anything from the community.

Thanks for doing that. I've been out of the office a lot over the past couple weeks, so I'm still trying to catch up.
